THINGS COMPETITORS, PARENTS, AND CHAPERONES SHOULD KNOW

1. Parents, coaches and friends may help unload heavy items only, and then they must leave the stable area. 4. An EMT is available on the grounds.
5. Stall bedding may be purchased at the Horse Centers show office. We do not have access to bedding.
6. Competitors - **do not** use stalls other than those assigned to you and your team, but if you need to change stall order for tack or horse placement let management know at the rally office.
7. **Rally Briefings should be attended by all Team members, Advisors, Chaperones and Parents.**
8. Parents and friends are reminded that unauthorized assistance may result in elimination from Rally. **"Unauthorized Assistance"** consists of intervention by **any** non-competitor in **any** phase of the Rally.
9. **All dogs must be kept on a leash.**
10. Checkout: When all stalls for your Team have been *stripped or cleaned to the satisfaction of the Horse Management Judges*, the Team Members have *completed and returned "Competitor's Rally Response Form"* to the HM Judges Office, the Team Captain should bring the Team Check-out Card, signed by a HM Judge to the Secretary's office to receive the Team Exit Packet containing the Team's HM Forms, Dressage Tests, etc.

The Susan Baizley Perpetual Trophy will be presented this year and in the years to follow, to a Pony Clubber who exhibits a **high degree of proficiency** at both riding and horse-management **for his/her rating level**, Sportsmanship to count as well. We thank Susan for donating this wonderful trophy and being a driving force in promoting Dressage in Pony Club.

A SPECTATOR'S GUIDE TO DRESSAGE

"The object of Dressage is the harmonious development of the physique and ability of the horse. As a result it makes the horse calm, supple, loose and flexible but also confident, attentive and keen, thus achieving perfect understanding with the rider"

Each year the United States Pony Clubs' Dressage Committee selects which tests will be ridden at each rating level, with the approval of the Board of Governors. This year, all competitors have the opportunity to choose their own tests, matching their horse's ability to the tests ridden. D's however, have "suggested" tests, as they may not yet have the knowledge to decide on their own level. Each test has a stated purpose on the front. It is important for the rider to understand and try to fulfill this purpose. Each test is written out on paper and describes a series of figures and exercises to be performed in front of one or more judges in a measured enclosed arena. These exercises and figures are designed to show a progressive improvement from elementary to advanced. In addition to showing the judge the rider's increasing skill, the tests also mark the progress of the horse's training. As the rider's balance, seat aids, and correct position improve, so do the horse's gait, activity of the hindquarters, submission and harmony with the rider. *Dressage tests are meant to display the horse's increasing gymnastic abilities which are the result of the rider's increasing technical control.*

Tests are usually ridden in a "standard" or large arena which measures 20 x 60 meters (about 66 x 198 feet). A "small" arena measures 20 x 40 meters (about 66 x 132 feet). Those riding Intro Level and Training Level test may use a small arena. All other tests are in a large arena. Arenas are divided by imaginary center lines (A to C) and quarter lines. There are letters placed at specific points. Entry into the arena by the competitor is always at A and there is always a judge stationed at C. In advanced levels judges also are stationed at various other letters. The letters E and B are exactly half-way the length of the arena. X is an imaginary letter at the intersection of lines A-C and B-E.

All tests are scored by the judge using a scale of 0 - 10 for each section of the test. The competitor is also scored under "General Impressions". A "0" mark indicates the movement was not executed or the horse or rider fell; a "5" indicates the movement was performed sufficiently; a "10" mark is excellent and almost never seen at any level. After penalty points for errors are subtracted the positive points are converted to a percentage score. In Dressage competitions the higher the score the better.

Although the Dressage committee encourages all to learn their tests "by heart" riders may have their tests read if rally conditions allow at any level below the FEI. Each movement may be read only once and only the reader can only read what is on the test. All riders must ride two tests, and any rider wishing to qualify for Championships must also ride a *Musical Kur* or *Pas de Deux*.

Dress may be formal or informal but must be correct and should not be intermixed. D's may wear polo shirts. Whips are allowed but must not be longer than 43.3" (110cm) including the handle and lash. C's, B's, and A's must use a plain snaffle bridle unless Third Level of above when a double bridle is allowed. D's are allowed to use Kimberwicks, Pelhams or other types of snaffles (not twisted wire, gags or excessively thin). Boots, bandages and side reins are permitted when lunging but not during competition rounds. Martingales, draw reins and "head setting devices" are prohibited at all times. (Very young D1's are allowed to use "anti-grazing" reins if necessary.)

Musical Kurses are required of any rider wishing to qualify for Championships. The Kur is a freestyle ride which includes compulsory movements as well as elective movements set to music. It is judged on technical ability and artistic impressions. A *Pas de Deux* is also set to music and judged much like a Kur.
