What if a member forgets the Medical Card at home or loses it during the rally? It is also suggested that an extra medical armband and a blank Medical Card be included in each team's rally utility kit. Rally organizers will have blank medical cards available in the show office.

EMERGENCY MEDICAL TREATMENT OF MOUNTS: Please be advised that in the case of the need for evaluation and/or treatment of a mount by a licensed veterinarian the evaluation must be at the decision of the owner of the horse or as agreed on by the owner of the horse and the individual who is leasing/using the mount for this activity. The representatives of the Old Dominion Region will not assume any responsibility in this decision but will assist the owner or participant in seeking treatment if that should be the decision of the owner of the mount as indicated by the individual who is using that mount for the activity. All expenses that may result from any such evaluation or treatment are at the expense of the owner or individual using the mount. f

VOLUNTEERS: Each Team must list a minimum of one Volunteer per mounted competitor per day on the Volunteer form.
