

ODRPC Classified Ad Guidelines

These are policies for use of the ODRPC Classified Ad service (<https://olddominion.ponyclub.org/news/classifieds.aspx>).

The purpose of this service is to provide a resource for ODRPC members in finding homes for their outgrown mount or equipment they no longer need, or for finding their next perfect match or tack/equipment. It is not intended for advertising businesses or on-going services.

This is a free service offered for ODRPC members and their immediate families only. Business ads or ads on behalf of others are not permitted.

All ads are subject to approval by the ODRPC RS or VRS.

Ad categories are:

Horses/Ponies for Sale

Tack for Sale

Horses/Ponies for Lease

Trailers/Equipment for Sale

ISO Horses/Ponies

ISO Tack/Equipment

The ad will run for up to 3 months. Users are asked to inform the webmaster if the item is sold (or found, for ISO ads) earlier so it can be removed. After 3 months, you must request renewal by emailing the ODRPC webmaster, or the ad will be removed.

Ads will be listed by category, in reverse chronological order (i.e. newer ads on top).

Ads are limited to 150 words. Up to 3 photos may be included in the ad. Photos must adhere to USPC safety standards (anyone mounted must be wearing a helmet and appropriate footwear, anyone handling a horse must be wearing appropriate footwear).

The Classifieds page is accessible by anyone on the internet. For safety reasons, the contact information included in the ad must be for an adult. It is the user's responsibility to be careful about responding to offers, to avoid scams. If an offer seems too good to be true, it probably is. If you suspect a scam or fraud, please contact the Internet Crime Complaint Center (IC3) to alert federal authorities of this type of activity.

Please submit ads to Karen Childers, ODRPC Webmaster, at kechilders13@gmail.com
